Attention: Mr. Mike Yoo

Reference: File BP9006, Vol. 1, Sec. 5

Subject: Access Control Unit, Model RFL200C+

Dear Mr. Mike Yoo:

NOTICE OF AUTHORIZATION TO APPLY THE UL MARK

UL's investigation of your product has been completed under project number 02SC15282 and the product was determined to comply with the applicable requirements.

This fax temporarily supplements the UL Follow-Up Services Inspection Procedure and serves as authorization to apply the UL Listing Mark only at the factory under UL's Follow-Up Service Program to the above product which is constructed as described below:

Identical to new models, which were submitted to UL for this investigation. The UL records covering the product will be in the Follow-Up Services Inspection Procedure, File BP9006.

To provide the manufacturer with the intended authorization to use the UL Mark, the addressee must send a copy of this Notice and all attached material to each manufacturing location as currently authorized in File BP9006.

An independent organization working for a safer world with integrity, precision and knowledge.

This authorization is effective for 90 days from the date of this Notice and only for products at the indicated manufacturing locations. Records in the Follow-Up Services Procedure covering the product are now being prepared and will be sent to the indicated manufacturing locations in the near future. Please note that the Follow-Up Services Procedures are sent to the manufacturers only unless the Applicant specifically requests this document.

Products which bear the UL Mark shall be identical to those which were evaluated by UL and found to comply with UL's requirements.

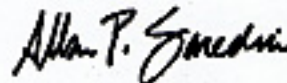

If changes in construction are discovered, authorization to use the UL Mark may be withdrawn and products that bear the UL Mark may have to be revised (in the field or at the manufacturer's facility) to bring them into compliance with UL's requirements.

Regards,
